🔗 Karthick R M
🐙 Karthick3805

A highly motivated and **detail-oriented professional** with a **passion for technology** and a strong background in **full stack development** . Developing innovative digital solutions of **delivering high-quality projects.** Skilled in various programming languages and technologies, with a commitment to **continuous learning and professional growth**

Education

Chennai Institute of Technology, Chennai-69, Tamil Nadu
- B.E Computer Science and Engineering - **CGPA 8.65**

2022 -2026

Smt.Ramkuwar Devi Forma Vivekananda Vidyalaya, Tamil Nadu
- **HSC - 87%** , **SSLC - 88%**

2019 -2022

Experience

- **UI/UX Designing and Full-stack development intern at Rizzspace, Chennai**   Nov 2024 - Dec 2024

I completed a 8-week internship at Rizzspace, where I gained hands-on experience in web development and designing. During this period, I worked on an project, improving my skills in HTML, CSS, JavaScript & ReactJS . This internship enhanced my ability to work in a collaborative environment and strengthened my problem-solving and technical skills.

Projects

- **Stock Market Prediction using ML | LR,LSTM&RF**

  Developed a machine learning model to predict stock market trends using historical data, implementing regression algorithms for forecasting and data visualization.

- **You-Tube Clone | HTML,CSS**

  Built a YouTube clone that replicates core features such as video uploads, comments, and user authentication. This project focused on front-end design.

- **Hotel Management | Python & MySQL**

  Created a hotel management system that streamlines booking, staff management, and room allocations. The project featured a user-friendly interface and efficient database handling.
